

Yiren Digital Named As One of the 'Top 100 Annual Growth Public Companies of 2023'

12/22/23

BEIJING, Dec. 22, 2023 /PRNewswire/ -- Yiren Digital Ltd. (NYSE: YRD) ("Yiren Digital" or the "Company") is pleased to announce its inclusion in the "Top 100 Annual Growth Public Companies of 2023" by Snowball Finance ("Xueqiu"), the renowned investor community in China. The recognition reflects the acknowledgement of Yiren Digital's outstanding performance in the field of financial technology and its high potential for future growth.

Based on this year's third quarter earnings release, Yiren Digital achieved significant financial results, including a 54% year-over-year growth in total revenue for the first nine months of 2023 and a substantial 113% increase in net profit for the same period. Looking ahead, the company anticipates revenue in the range of RMB1.0 billion to RMB1.3 billion for the fourth quarter of 2023, indicating a projected full-year growth rate of 35% to 43% for 2023.

During Xueqiu's annual selection of growth-oriented public companies, the primary assessment criteria focus on a company's fundamental strength and the growth of the Xueqiu Index. The goal is to identify emerging enterprises with great potential for long-term fundamental growth, emphasizing the enduring value of their development trajectory. Yiren Digital's inclusion in the "Top 100 Annual Growth Public Companies of 2023" not only serves as a recognition of its past accomplishments but also signifies optimism about its future prospects.

This prestigious award follows Yiren Digital's recent receipt of the "2023 Annual Digital Inclusive Finance Excellence Award" from reputable institutions, including the China Digital Index Research Institute and the Shanghai Finance and Development Laboratory. Additionally, Yiren Digital was honored as the "Inclusive Finance Institution of the Year" at the 9th Beijing Financial Forum earlier this month.
